

## **CAPCA DESERT VALLEYS CHAPTER SCHOLARSHIP INFORMATION**

Each year the Desert Valleys Chapter of the California Agriculture Pest Control Advisors Association (CAPCA) awards two scholarships to deserving students who reside in the desert areas of Southern California and Western Arizona. The Desert Valleys Chapter includes members from Coachella, Imperial, Bard and Blythe Valleys of California, as well as the Yuma, Gila, Dome, Wellton-Mohawk and Parker Valleys of Arizona.

One \$2,000 scholarship is specifically for a graduating senior high school student and has an interest in agriculture or related fields. Those interests can range from agronomy to animal science, from biology to botany. If you are not sure if you qualify, please call us or fill out an application and we will let you know.

One \$2,000 scholarship is specifically for a college sophomore or a second year junior college student planning on attending a four year college or university. This would be with the same interest requirements as the previously described scholarship.

**Your application must be filled out and postmarked by April 15, 2011.** Complete the application in full, attach your transcripts and mail to:

Desert Valleys Chapter CAPCA  
PO Box 391  
Brawley CA 92227
